ADDITIONS AND CORRECTIONS:

George Martinsen sent a note to correct and add to the December newsletter accession section. "The lady who willed to the Society, the furniture from Robert Moser's home is JACKIE PROMERSPERGER. She and her parents lived right across from where Byerly's now is. That was when Bob Moser had the sand pit there." Thanks, George, for the correction.

JOAN KARGEL sent further information about her family. Her sister, COLLEEN KARGIL sent the Society interior photos of the Historic Church when it was a Methodist Church, as reported in the December Newsletter. JOAN KARGEL reports, "Mom's name is still Marion Kargel, my sister was Colleen Kargel. I'm married but kept my maiden name. My father's name was Rudy. Dad was the part-time custodian/handyman at the GVMC from probably the early 1950's until the new Spirit Of Hope was built on Highway 55. The new church was larger and so Dad took on the custodial position there as a full time job and then retired in 1974 and moved to Arizona with Mom (Marion). He passed away in 1989 while summer vacationing at their island home in Northern Minnesota. Mom still lives in Tempe, Arizona."
